LIGHT READY/LR PUSH BUMPERS

FEATURES FOR LIGHT READY/LR PUSH BUMPER

Go Rhino Public Safety introduces the Light Ready/LR Push Bumper for all popular police vehicles. The new LR Push Bumper carries the same tough look and function as other Go Rhino Public Safety Push Bumpers. The new LR Push Bumpers are "light ready" which means the holes and mounting points are built into the bumpers, they are ready for outfitters and agencies to install the lights of their choice.

- LR Push Bumpers are available in 2 and 4 light* configurations for Federal Signal, Code 3, Whelen and Sound Off Signal warning lights.
 - Features a channel style light bar that provides easy installation of LED warning lights.
 - Fully welded 1-piece H Frame construction provides optimal strength.
 - Cross-Plate predrilled for easy mounting of additional lights or other equipment.
 - Will not interfere with SRS air bag systems.
 - Durable powder coat finish.
 - Replaceable PVC Push Rail Trim.
- *CALL FOR AVAILABILITY
